NOVEMBER/2008

Dear Valued Client,

The holidays are fast approaching and we are all looking forward to visiting with friends and family to reflect on the amazing year we have all experienced.

In doing so, we want to encourage you to remember the importance of your oral health. Putting off necessary dental treatment can only make the issues worse and more expensive in the future.

Remember, most insurance benefits "reset" after the beginning of the year, which means you will lose any unused benefits. To get the most out of your insurance benefits, schedule your treatment before December 31st. If you have questions about your insurance, feel free to call us and we will be happy to help.

As always, we appreciate your referrals to our office; your trust in us is our greatest compliment! Forward this email to a friend who may be looking for a convenient and caring dentist:

Sincerely,

The Staff of Dr. Garcia General & Cosmetic Dentistry

Our Dental Assistants

OUR MISSION

To be truly modern, today's dentistry should meet all of its patients' expectations. It should offer the most personalized care possible, in an attractive and comfortable environment. It should be dedicated to its patient's dental health, offering all the latest dental techniques and procedures. It should use advanced technology to create a beautiful mouth and a perfect smile for each patient, all while reducing any possibility of pain. It should accomplish all of this with friendliness, thoughtfulness and professionalism.

At our practice, we strive to achieve the ideal in modern dentistry. Our goal is to create a dental practice that is ideal for our patients, where each staff member is a highly-trained dental professional. A practice so agreeable that you feel cared for before you even sit in the chair overlooking downtown Baltimore. We are a practice that makes it possible for your dental dreams to come true, sculpting a smile that is second

Last month you met Jill and Amy, our fabulous Front Desk team.

This month we would like to introduce you to our outstanding Dental Assistants, Sandy King (pictured, left) and Terri Cichorz (right).

Terri and Sandy are both career Dental Assistants, having each been in the field for over 13 years. In fact, when Sandy started with us this summer, they both realized they were in the same class at school but didn't know each other then! They work fantastically together as a team and our office is proud to have their 26 years+ of combined experience in such friendly and helpful people.

Terri has been working with Dr. Garcia for over two years and enjoys caring for our patients plus working with her co-workers. Terri has two great kids, a wonderful husband, a cat and a dog. She loves to travel and makes sure she makes it to Ocean City at least once every summer.

Sandy fit right in with our team when she started just three months ago. Sandy was a teacher for the Medix School for several years before deciding to go back to school for her hygiene license. As a mother of three she balances school, work, breeding dogs (she has five puppies right now!) and a love of jewelry-making very well. She enjoys the professional atmosphere of our office and working with our downtown

clientele.

We are confident that your dental health is in wonderful hands with these two professional women at our doctors' sides.

Don't forget... our office specializes in the [Zoom! Whitening System](#) for your health and convenience!

Be sure to ask about the benefits of Zoom! at your next hygiene visit!
