OUR MISSION

To be truly modern, today's dentistry should meet all of its patients' expectations. It should offer the most personalized care possible, in an attractive and comfortable environment. It should be dedicated to its patient's dental health, offering all the latest dental techniques and procedures. It should use advanced technology to create a beautiful mouth and a perfect smile for each patient, all while reducing any possibility of pain. It should accomplish all of this with friendliness, thoughtfulness and professionalism.

At our practice, we strive to achieve the ideal in modern dentistry. Our goal is to create a dental practice that is ideal for our patients, where each staff member is a highly-trained dental professional. A practice so agreeable that you feel cared for before you even sit in the chair overlooking downtown Baltimore. We are a practice that makes it possible for your dental dreams to come true,

do not pay to be on their website; rather, reviews are submitted honestly by the customers who use their services.

The reviewer writes, "(Dr. G) has a great "chairside manner" and is very upbeat. (He has) great attention to detail, and (is) very conscientious of (his) patient's comfort."

Thank you again for entrusting us with your dental health and spreading the word about our office!

GET TO KNOW US!

Our Fantastic Hygiene Department

Last month you met Terri and Sandy, our outstanding Dental Assistants. This month we would like to re-introduce you to our fantastic hygienists, Judith White and Regan Garcia.

We say "re-introduce" because we know one of the main reasons you continue to stay with our practice is the caring and fun nature of our hygienists. After all, Judy and Regan have been part of the family since Dr. G started his downtown practice over six years ago.

Judith is originally from Tobago and our staff and our patients love her fun personality! Judy has two kids that she is extremely proud of; we often hear about their "A"s in school and dance recitals. Judy has worked at this location even before Dr. G bought the practice in 2003 and is a wonderful staple of our downtown family.

Regan is Dr. G's brother and often gets mistaken for him during the day; however, they are not twins as many of our patients think! As well as being a wonderful hygienist, Regan enjoys playing bass in his working cover band and running his own wedding photography business, "[Red Moon Productions](#)."

This year we have also introduced two part-time hygienists, Kim and Chanagra. We have heard nothing but compliments from our patients on their kindness and skill and we welcome them to our practice.

Remember, dental cleanings should occur at least twice a year to maintain a healthy mouth. If you are overdue for your cleaning, call our office at 410-837-0304 or email Amy at amy@drarciadds.com to schedule a visit with one of our fantastic hygienists: Regan, Judith, Kim or Chanagra.
